ABOUT THE INSTITUTION:

Kongunadu College of Education was established by the Kongunadu Educational Charitable Trust. This college was started with the noble aim of imparting Quality Teacher Education (B.Ed.) to the rural students who are socially and economically backward in this district. This is the first B.Ed., College started in this district. It is the benevolent management of “Kongunadu Educational Charitable Trust which takes utmost care in generating Value based Quality Teachers to the society under the dynamic leadership of Dr. PSK.R.Periaswamy., Chairman of this trust. This College is located in a conducive atmosphere near Thalamali Hills at Thottiyam, Trichy District, on the highway of Namakkal to Trichy. Approved by NCTE and Affiliated to Tamilnadu Teachers Education University, Chennai. The College also got the “B” Grade from NAAC on 05 January 2013. To feel proud the College secured the First Rank in Trichy District for the past Eight years.

OBJECTIVES OF THE WORKSHOP

- ✚ This workshop aims to the history of science and technology acts as a natural bridge between humanities and sciences. This workshop promises to be an eye-opener of Science as well as Humanities.
- ✚ Our Workshop opens the wonders of science to everyone, and encourages student to discover how science is used in their everyday world.
